Abington Hospital's outpatient retail pharmacy, Alliance Pharmacy, is now registered as a Drug Take-Back location with the Pennsylvania Department of Drug and Alcohol Programs.

Employees and members of the community can now safely dispose of unwanted medications at a registered and convenient location, which will help reduce the number of unwanted prescriptions in our community.

Please see an Alliance Pharmacy associate for details on how to dispose of any unwanted medications.

- Intravenous solutions
- Injectables, syringes and needles (e.g. EpiPens)
