

Delaware Valley Chapter Webinars

No one should face dementia alone. Join us for our September-October 2021 series of virtual programming.

Registration is required. Click a registration link below or call 800.272.3900 to be able to attend by phone or computer.

For more information about Alzheimer's Association programs and services, contact the 24/7 Helpline at 800.272.3900. For information about e-learning, which is available on demand,

Wednesday, September 1 — 10 Warning Signs of Alzheimer's

This program will help people recognize common signs of the disease. We'll explore typical age-related changes, explain the importance of early detection and the benefits of diagnosis, and identify helpful Alzheimer's Association resources. Hosted by Berks Community Health Centers.

4-5 p.m. — <https://action.alz.org/mtg/76012711>

Monday, September 13 — Effective Communication Strategies

Attend to understand how persons with dementia communicate using attitude, tone, facial expression and body language. Learn to decode verbal and behavioral messages and connect in new ways. Hosted by Eagleview Landing.

6-7 p.m. — <https://action.alz.org/mtg/76224966>

Wednesday, September 15 — New Advances in Alzheimer's Treatment

Learn about aducanumab (Aduhelm™), a new treatment in Alzheimer's treatment. This program will provide an overview of how the drug was designed to work; who may be a candidate for treatment; potential benefits and side effects and availability and pathways for success. Attendees will also learn about available Alzheimer's Association resources.

12-1 p.m. — <https://action.alz.org/mtg/76312451>

Friday, September 17 — 10 Warning Signs of Alzheimer's

This program will help people recognize common signs of the disease. We'll explore typical age-related changes, explain the importance of early detection and the benefits of diagnosis, and identify helpful Alzheimer's Association resources. Hosted by Penn State Extension.

9:30-10:30 a.m. — <https://extension.psu.edu/10-warning-signs-of-alzheimers-disease>

Tuesday, September 21 — 10 Warning Signs of Alzheimer's

This program will help people recognize common signs of the disease. We'll explore typical age-related changes, explain the importance of early detection and the benefits of diagnosis, and identify helpful Alzheimer's Association resources. Hosted by Henrietta Hankin Branch Library.

7-8 p.m. — <https://action.alz.org/mtg/76012314>

Wednesday, September 22 — Effective Communication Strategies

Attend to understand how persons with dementia communicate using attitude, tone, facial expression and body language. Learn to decode verbal and behavioral messages and connect in new ways. Hosted by Green Hill Manor at the Heritage.
